#309-5555-T REAR TUFF DUCK SLIP COVER

FITS 1968-7/80 FJ55

PLEASE READ INSTRUCTIONS BEFORE INSTALLATION

Warm up slip covers in the sun till they are soft and warm before installation. Or you can put slip cover inside pillow case and put in clothes dryer for a few minutes. Be careful to close the pillow case so the slip covers do not come in contact with the dryer drum, other wise you will melt the backing on this slip cover.

Be sure the hook and loop strips sewn on the underside of each cover are separated.

INSTALLATION INSTRUCTIONS

- STEP 1.** Position the cover over the cushion, making sure the elastic goes around each bottom, front corner.
- STEP 2.** Bring the cushion to the **UPRIGHT** position. Bring the hook and loop strip **AROUND** the striker and securely mate to the corresponding hook and loop strip on the cover.
- STEP 3.** Position the cover over the backrest, making sure the seat stop on each top cover fits through the cutout in the cover.
- STEP 4.** Tilt the backrest slightly forward. Position the long and short hook and loop strips around the bottom and sides.
- STEP 5.** Securely mate the long hook and loop strip from each bottom with the corresponding hook and loop strip sewn on the top of the cover.
- STEP 6.** Securely mate the three small hook and loop strips on each side to the **UNDERSIDE** of the long hook and loop strip.

After a few days of normal use, the covers will conform to the contour of your seats.

CARE INSTRUCTIONS

Cold water wash, line dry. May be dry cleaned, no trichlorethylene.

NOTE: if covers are left in direct sunlight for extended periods of time covers will tend to fade.
